

Garner Golf Course Foundation
205 Country Club Drive Garner, Iowa 50438
641-923-2819

January 15, 2020

We are in our 7th year of ownership by the City of Garner with management by the Garner Golf Course Foundation (“GGCF”) and things have continued to go well this past year.

We’re pleased to announce that Lucas Kreusher and his company; Greens Keepers will be back in 2020 as superintendent of the course. Lucas has continued to do a great job with the course and has had a hand in implementing a few new things out there such as the revamped sand trap on the east side of the #9 green. We’re also pleased to announce that Dani will be back as clubhouse manager in 2020, bringing back her expertise in the Food and Drink side of our course.

To keep our members informed we will continue to utilize our website www.garnergolfcourse.com as well as our Facebook page. Be sure to visit both often to keep informed about what is going on at the golf course. We will continue to send out mass e-mails over the course of the season, letting you know about specific events. Dani is already putting together improved menus for Couples League and Men’s and Ladies’ Days and will make sure those are known to the members in advance. Members will automatically receive the emails, but anyone who is interested can ask to be added to the email list. Make sure we have your most current email address.

As always, the more members we have, the more successful the golf course will be. We would appreciate it if our existing members would help to get the word out about what’s going on at the course and how much fun and enjoyment there is to be had at the golf course. There is no better value for your money than a membership at the Garner Golf Course. The Board recognizes that it is sometimes difficult to come up with the membership payment all at once and, therefore, is offering three payment plans: **1) payment in full, 2) payment in two installments, 3) auto withdrawal from your checking account spread out over 7-months of equal installments.** GGCF would appreciate it if you could join the golf course and send your 2020-golf membership fee as soon as you can. If you choose option three, contact Treasurer Bill Paulus for the application form.

Enclosed you will find the 2020-Golf Pass Application Form. We kept the options the same as last year and encourage you to review the application for detailed information on all of the options. The discount price for paying early applies to all forms of payment (lump, two payments, or installments from bank account)

GGCF and the City hope to bring you the best golfing experience we can and we are looking forward to an even more successful 2020-golf season. If you have any comments and/or concerns about the above, feel free to contact any of the Board members:

Marty Furst-President and Board Member; Al Bredlow-VP and Board Member
Travis Pitzenberger-Secretary and Board Member; Bill Paulus-Treasurer and Board Member
Dennis Drabek-Board Member; Kaitlyn Sorenson-Board Member; Ken Mick – Board Member
